

A Vision of Christ in His Glory
Revelation 1:9-20

Jesus Christ is most often remembered for His humble birth in a manger and His brutal death on a cross. His first coming involved His humility.

The return of Christ will involve His glory. Even now, Jesus is no longer clothed with humility, but He is clothed with glory. In His present glory, Christ is ministering among His churches today.

In Revelation 1:9-20, John sees a vision of the glorified Christ ministering among His churches.
