

**The Unveiling of the Glorified Lord**  
**Revelation 1:1-8**

The return of Jesus Christ is certain. Just as He came to earth the first time, Jesus is coming back again.

The first time Jesus came to earth in humility as a suffering servant. He came to die. The second time He will come to earth in glory as a triumphant King. He will come to reign.

In Revelation 1:1-8, we learn that God unveiled to John the things that will quickly take place concerning the return of Christ.
