

The Endless War Against the Jews
Revelation 12:1-17

Throughout history there has been no group of people as hated and as persecuted as the Jewish people. Anti-Semitism is an age-old reality.

The spiritual power behind anti-Semitism is Satan. Since the first prophesy about the Messiah (Gen. 3:15), Satan's ruling passion has been to exterminate the Jews. Their survival has been miraculous.

In Revelation 12:1-17, John sees a vision of Satan's final attempt to exterminate Israel during the last half of the great tribulation.
