

The Coming Antichrist
Revelation 13:1-10

During the seven years of tribulation, a powerful world leader will rise up. The Antichrist will be a charismatic dictator who will rule over a one-world government built around a revived Roman Empire.

The early church knew about the Antichrist. His coming was foretold by Daniel and reaffirmed by the writers of the New Testament.

In Revelation 13:1-10, John is given a vision of the coming Antichrist who is revealed as a beast rising up out of the sea.
