

The Coming False Prophet
Revelation 13:11-18

During the seven years of tribulation, a powerful world leader will rise up. The Antichrist will receive power and authority from Satan (“the dragon”) to rule over a revived Roman Empire in the last days.

During this time, an influential false prophet will also rise up who will persuade the world to worship the Antichrist.

In **Revelation 13:11-18**, John is given a vision of one final false prophet who will appear during the Great Tribulation.
