

The Glorious Return of Christ
Revelation 19:11-21

The return of Christ is the great climax of all history. Even now everything in heaven and on earth is moving toward this end.

It is an absolute certainty that Jesus is coming again. Numerous Bible prophecies and current signs of the times point to His imminent return. He will return to earth as the King of Kings and Lord of Lords.

In Revelation 19:11-21, John saw a vision of the long awaited and much anticipated return of Jesus Christ.
