

**The Hallelujah Side**  
**Revelation 19:1-10**

As followers of Christ, we have been able to do something prophetically that we will never do physically. In our study of Revelation, we have walked through the Great Tribulation.

For those left behind, these seven years of tribulation will be filled with great horror. However, at the same time, the saints in heaven will be singing, "Hallelujah!" It's great to be on the hallelujah side.

In Revelation 19:1-10, John hears the "Hallelujah Chorus" of the saints in heaven and witnesses the marriage supper of the Lamb.
