From very early times, the question has been raised, "But how can a man be in the right before God" (Job 9:2)?

Because of sin, a deep-seated sense of lostness, loneliness, emptiness, guilt, and a genuine fear of death have affected every civilization. Is there a clear and certain answer to man's problem of sin?

In today's study, we will clearly see that God has solved our sin problem by building a bridge of salvation to all mankind.
