*What if the church today became obsessed with the one thing Christ commanded us to do? Let the obsession begin with me.*

Reaching our world for Christ will require us to make and multiply disciples, not to make and add disciples.

If I train one new disciple maker a year who will go and do likewise, each one I train can result in over 500 new disciple makers every ten years.

**In this study**, the great missionary, Paul, taught his disciple, Timothy, about the powerful principle of discipleship multiplication.

**Key Truth:** *Jesus never commanded us to plant churches, but if we will make and multiply disciples many churches will be planted.*

**1. Making and multiplying disciples is \_\_\_\_\_ (v. 1).**

Mt. 28:20b

**2. Making and multiplying disciples is \_\_\_\_\_ (v. 2).**

Mt. 13:31-32

**3. Making and multiplying disciples is \_\_\_\_\_ (v. 3-7).**

- We must have the \_\_\_\_\_ of a soldier (v. 3-4).
- We must have the \_\_\_\_\_ of an athlete (v. 5).
- We must have the \_\_\_\_\_ of a farmer (v. 6-7)

Mt. 4:19

**Takeaways:**

- Multiplying disciples is what God has \_\_\_\_\_ you to do.
- Multiplying disciples is what God \_\_\_\_\_ you to do.
- Multiplying disciples is what God \_\_\_\_\_ you to do.
- When in God's name will \_\_\_\_\_ start?
