I love hearing personal testimonies of people's salvation experience. In every person's testimony there is *THAT DAY* when he or she personally met the risen Christ. *THAT DAY* is the day that changed everything.

When you think about it, life's two most important dates are that day when Christ rose from the dead and that day when you meet Him.

In today's study, we will see the salvation experience of a man named Saul. That day on the way to Damascus he met the risen Christ.

## LEARNING FROM GOD'S WORD . . .

3. We are \_\_\_\_\_ by the risen Christ (v. 10-21).

- We must share the Gospel \_\_\_\_\_ (10-20).
- We must share our personal \_\_\_\_\_ (v. 21a).

## RESPONDING TO GOD'S WORD . . .
