

***When Helping Hurts***

John Gibson

***(Is our work with missions ever harmful?)***

March 9, 2016

**Key Truth:** If we are not careful in how we do evangelism/missions, we can do more harm than good.

(Personal testimony of Serving You Ministry SYM 2013-2016)

**Case Studies:**

1. \_\_\_\_\_: Luke 10:25-37, Story of the Good Samaritan
  - Helping someone in crisis takes immediate action.  
Do you think assisting this family would help or hurt?
2. \_\_\_\_\_: John 9:1-9, Jesus Heals the Blind Man
  - The blind man had to do something to better his situation.
3. \_\_\_\_\_: Matthew 19:16-22, The Rich Young Ruler
  - The rich young ruler wasn't in materialistic poverty; he was in spiritual poverty. He wasn't willing to do something to change his future.

**SYM 2016**

1. \_\_\_\_\_: People to God and People to People (Dlife/Dream Center)
2. \_\_\_\_\_: Crisis/Chronic: From Betterment to Development (Serving You)
3. \_\_\_\_\_: Opportunities/Work/Dignity/Education (WorkFaith/Hope Inspired)
