Some scholars believe **Sunday, April 5, 33 AD**, is the likely date for when Jesus Christ rose from the dead. It was **THAT DAY** that changed everything. Millions of lives have been changed because of **THAT DAY**.

For each of us, life's two most important dates are **THAT DAY** when Christ rose from the dead and **THAT DAY** when we meet Him.

In today's study, we will see a woman named Mary Magdalene who was the very first person to meet the Risen Christ.
