In the arts and in athletics we may refer to someone as a gifted artist or a gifted athlete. The implication is that there are some who are gifted and others who are not.

However, in the church there is no such thing as an "ungifted believer." Every genuine believer in Christ has been endowed by God's grace with a unique spiritual gift or gifts to be used in the work of ministry.

In today's study, we will learn about spiritual gifts and how we are to use them in faithful service to God.
