The God of creation has built a great **BRIDGE OF GRACE** to sinful man. He took the initiative to bridge the gap of separation caused by sin. By faith in Christ, all can cross over the bridge and be reconciled to God.

This glorious good news is called **THE GOSPEL**. When we cross over the Bridge of Grace, we begin a joyful new journey with God. All along the way of this journey, our mission is to share the gospel (Rm. 1:1).

In today's study, we will learn that it should be our great ambition to share the gospel where Christ is not known.
