If you've ever wondered about the meaning of life, you are not alone. Who am I? Why am I here? Does my life really matter? Certainly we've all considered such questions as these in different seasons of our lives.

Life only matters if there is a Maker. According to the Bible, there is a Maker and the Maker's name is Jesus (Jn. 1:1-3, 14; Col. 1:15-17). When it comes to your life's purpose, Jesus matters because He is your Maker.

In today's passage, we will see in this great Psalm of David that we do have a Maker and that He has made us for a purpose.
