Do you ever dream at night when you sleep? Are your dreams sweet, scary, or strange?

In days of old, God would sometimes speak to people through their dreams. King Nebuchadnezzar of Babylon once had a dream that disturbed him so much that he couldn't sleep.

**In Daniel 2:1-49**, God gave King Nebuchadnezzar a dream that foretold the complete history of the world.

**Main Lesson:** Our God is the sovereign \_\_\_\_\_ over all the times and seasons of life and the revealer of secrets.
