Daniel 7:1-28

October 12, 2016

The Book of Daniel is to the Old Testament what the Book of Revelation is to the New Testament. Today we begin our study of part two of Daniel, “End Times.”

The vision that Daniel has in this chapter is closely related to the vision of Nebuchadnezzar in chapter two. Chronologically this chapter of Daniel took place between chapters four and five.

In Daniel 7, Daniel saw a vision of phenomenal end time events.
