“Crossing Jordan” is a phrase that has come to mean an important milestone or breakthrough in one’s life.

Life is filled with many challenges. As individuals or as a church family, there will be a variety of Jordans we must cross to get to the place where God wants us to be.

In our text, Joshua led God’s people to have the faith and courage to cross over the Jordan on their way to the land of promise.

### **The Main Thought...**

➔ *When it comes to crossing your Jordan, God will make a way where there seems to be \_\_\_\_\_ way.*

**1. Carefully follow the \_\_\_\_\_ of the Lord (v. 1-4).**

Heb. 12:2

**2. Consecrate yourself to God’s \_\_\_\_\_ (v. 5-6).**

Isa. 59:1-2

**3. Walk by \_\_\_\_\_ and not by sight (v. 7-8, 11-17).**

- You must be willing to get your \_\_\_\_\_ wet (v. 7-8).
- You must choose courage over \_\_\_\_\_ (v. 11-17).

Jer. 12:5; Pr. 3:5-6; 2 Cor. 5:7

**4. Never \_\_\_\_\_ sight of your ultimate mission (v. 9-10; 4:18-24).**

Josh. 14:11-12; Mt. 28:19-20

### **Questions to consider...**

- *What is God’s \_\_\_\_\_ for our faith family?*
- *Why cross \_\_\_\_\_ and stop at Jericho?*
- *Will you \_\_\_\_\_ yourself to God’s purposes?*
