Knowing God's Heart **2 Timothy 3:14-17**

Think about your life. There are people who know you, but they don't really know you. They don't know your heart. For them to really know you, you must open your heart to them. They must see your heart.

The same is true about God. Many believe in God, but they don't know Him. Yet, God has revealed Himself. He has opened His heart to us. Everything we need to know about God is revealed in His Word.

In our text, we will see that God has revealed Himself completely so that we can know Him intimately.
