

When Christ is Your Life
Philippians 1:19-30

What is it that defines you? What is the driving purpose of your life?
What gets you out of bed in the mornings?

A mother may say, *My kids are my life*. An entrepreneur may say, *My job is my life*. An athlete may say, *Football is my life*. Everyone lives for something. What do you live for? What is your life's passion?

In this study, we will see that, for Paul, to live is Christ. His driving purpose in life was to know Christ and to make Him known.
