Have you ever considered the thought that God may have greater plans for your life than you realize? Is it possible that you are not living up to the full potential of your divine destiny?

This is undoubtedly true for most people. Weak in faith and paralyzed by fear, many will never live out God's great purpose for their lives.

In today's study, we will learn some important life lessons from the only man who ever stepped out in faith to walk on water with Jesus.

## **Main Thought...**

➤ Living out God's \_\_\_\_\_ requires stepping out in faith.

1. **There is an inner nudging of the \_\_\_\_\_ (v. 22-28).**

Ex. 3:3; 1 Kgs. 19:12-13

2. **There is a clear discernment of the \_\_\_\_\_ (v. 29a).**

Jer. 33:3; Judg. 6:36-37

3. **There is a critical step of \_\_\_\_\_ (v. 29b).**

Ex. 3:11; Judg. 6:15; Jer. 1:6; Pr. 3:5-6

4. **There is a certain expectation of \_\_\_\_\_ (v. 30).**

Neh. 6:3-4

5. **There is the constant presence of \_\_\_\_\_ (v. 31-33).**

Ex. 3:12a; Judg. 6:16; Jer. 1:8

## **Final Thoughts...**

➤ *Are you satisfied and content in your \_\_\_\_\_ with God?*

➤ *Is the Holy Spirit nudging you to take a \_\_\_\_\_ of faith?*
