Every believer can win the battle over the enemy. By taking up the whole armor of God, we can stand against the schemes of the devil. The final piece to the believer's armor is the mighty weapon of prayer.

Believing prayer is a mighty weapon of mass destruction against the schemes of the devil and his spiritual forces of evil.

In today's study, Paul says that believers are to pray at all times, with all prayer, with all perseverance, and for all saints.
