

A Vision of Jesus in His Glory
Revelation 1:9-20

Jesus Christ is often remembered for His humble birth in a manger and His brutal death on a cross. His first coming involved His humility and sacrifice.

The return of Christ will be much different. It will involve His glory. Even now, Jesus is no longer clothed with humility, but He is clothed with glory. In His present glory, Christ is ministering among His churches today.

In our text, John sees a vision of the glorified Christ ministering among His churches.

Main Thought...
