In the game of football, it's hard to regain lost ground. The objective is to keep pushing forward to the goal line. But if you keep losing ground to your opponent, it's almost impossible to win the victory.

In your journey with God, have you ever lost ground to the enemy? The great news is that your victory is certain. However, there may be times when you lose ground to the enemy in your daily walk with God.

In our text, Samuel led the people of Israel to regain lost ground from the enemy by returning to the Lord with all their hearts.

### Main Thought...

➔ Returning to God is the first step to regaining \_\_\_\_\_ ground.

1. **Put away false \_\_\_\_\_ (v. 3-4).**

2. **Confess your sins to the \_\_\_\_\_ (v. 5-6).**

Ps. 66:18; 32:5; 1 Jn. 1:9

3. **Pray in the name of \_\_\_\_\_ (v. 7-9).**

Ps. 20:7; Jn. 14:13-14

4. **Receive the Lord's \_\_\_\_\_ (v. 10-12).**

Ps. 46:1; 121:1-2

5. **Reclaim what the enemy has \_\_\_\_\_ (v. 13-14).**

Jn. 10:10; Rm. 8:37b
