In Jerusalem today, the Islamic shrine, *The Dome of the Rock*, resides on the Temple mount. Nevertheless, Jews in Israel continue to make plans for the rebuilding of their temple.

At some point prior to or during the tribulation something will happen to *The Dome of the Rock* to make way for the rebuilding of the temple.

**In Revelation 11:1-19**, John is instructed to measure the rebuilt Jewish temple and is introduced to two final Jewish prophets.
